

Parent BYOD Information Sheet

Glen Eira College has selected the HP Chromebook suitable for the school curriculum. Prior to browsing the portal, parents would need to register their details.

Once registered, the portal is a simple 3 step process -

1. Browse the devices
2. Browse the suitable accessories
3. Review order, confirm and pay

Register your details

Log onto the Portal registration page: <https://eduportal.centrecom.com.au>

Enter in the School Identification Code: **GEC3145** and click register

GEC3145	Register →
---------	------------

1. Complete the registration details (your details, your child's details)
You would be required to have an email address and create your password for the Portal.
2. Download the Schools **ICT Policy**
3. You must tick that you agree to the terms and conditions and this includes the **ICT Policy**
4. Click the **submit** button.

Signing into the Portal

Once registration is complete, a prompt will indicate its success.

✓ **Success!** Your registration is completed, please click **here** to sign in.

You can now click the **"here"** to start browsing the BYOD device catalogue

A new web page will open

Under the section **Returning Student**, please put in your email and password (the details you had provided as part of the registration). And click **Login**
