

Glen Eira College

Glen Eira College Parents Association

Dear Parents and Guardians,

We would like to invite you to join the Glen Eira Parents Association (GECPA), **an informal group of parents who act as a link between our parent community and the college.** We run a number of events throughout the year to support our school community, enable families to meet and socialise, and raise funds for the college through initiatives such as second-hand uniform stalls, social events and street stalls.

You can also volunteer to be a Year 7 Liaison. Supported by GECPA, year level liaisons encourage participation and attendance at GECPA and school events and may also organise a small number of informal parent events, such as coffee catch ups.

GECPA also collects your phone number and email for the Year 7 contact list, which will be distributed early in 2021 to all Year 7 parents and guardians. Using this list, you will be able to contact the parents of your child's friends directly. GECPA will also include your email address in the distribution list that will be used to notify you of upcoming events.

Please fill in the following if you wish to provide your details for the Year 7 contact list or join the GECPA mailing list:
