***Camps Sports and Excursions Fund**

The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students to attend activities like school camps or trips, swimming and school-organised sport programs, outdoor education programs, excursions and incursions.

Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. \$225 per year is paid for eligible secondary school students. A special consideration eligibility category also exists. Payments are made directly to the school and are tied to the student.

To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

- on the first day of Term one, or;
- on the first day of Term two;
 - a) Be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be the holder of a Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, OR
 - b) Be a temporary foster parent, and
 - c) Submit an application to the school by the due date.

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

Applications can be received over term one and two. Payments are for the application year and cannot be claimed for previous years.

Year 7 government school students who are CSEF recipients are also eligible for a uniform voucher. Secondary schools are required to make applications on behalf of parents so please register your interest at the school.

Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case by case basis taking into account the individual circumstances. Generally we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.

Refunds will only be given when requested in writing within the year in which the event is held. This may include Camps and Excursions, Music Program and Fees when a student is leaving the school.

The Principal and Business Manager (nominated parent payment contact) will consider special circumstances on an individual basis, and may consult with the Student Wellbeing Leader.
