

Dear Parents

Glen Eira College is committed to providing a challenging and engaging learning experience for all our students. We are striving to provide our students with the learning tools that will assist them to achieve outstanding results.

In 2024, Year 10, 11 and Year 12 students may wish to participate in the Windows laptop or MacBook program. This will allow students to connect to the school network, to assist in enhancing the learning environment. This program is optional. The Windows laptop or Macbook must have at least the following specifications.

- CPU: Intel Core i5-7200U Processor (2.50GHz,
- 3MB L3 Cache, 2133MHz)
- SCREEN: 13.3" FHD (1920x1080)
- MEMORY: 8GB DDR4 Memory
- WIRELESS: Intel Dual Band Wireless-AC 8265 (2x2, 802.11ac)
- HARD DRIVE: 250GB Solid State Drive
- KEYBOARD: Integrated Keyboard
- BATTERY: Up to 9 Hours
- CAMERA: Front Facing

Students taking Art subjects, should speak with Ms Bernadette Mclvor regarding the most suitable device for those subjects. Alternatively, Year 10, 11 or 12 students may carry over their Chromebook or purchase a new Chromebook via our website <https://gec.vic.edu.au/>

Students must use their device in a responsible way, consistent with Glen Eira's core values of respect and integrity and the ICT Acceptable Use Policy.

If you have any queries please contact Ounsane Siriamphone, eLearning and Technical Support Leader.
