

2026 Parent Payment Arrangements – Year 11

Dear Parent / Carer

As Glen Eira College prepares for another inspiring year of teaching and learning in 2026, we want to take a moment to thank you for the ongoing support and partnership from our families. Your generosity plays a crucial role in helping us create a high-quality academic, social and physical environment where all students can thrive.

We would like to advise you of Glen Eira College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. We do however rely on these contributions to enable us to enrich programs, upgrade facilities and ensure our school continues to deliver an enhanced environment in which to learn, grow and achieve.

The year 11 2026 contributions are:

- Curriculum Contributions of \$300 (excluding high-cost consumable subjects)
- Other Contributions including facilities \$200
- Building Fund \$100

Your contributions directly enable us to

- Provide high quality learning programs and subject-specific materials.
- Support students in achieving outstanding academic results, reflecting our recent VCE successes.
- Offer diverse programs such as instrumental music, productions, concerts, art shows, house sports competitions, as well as over 30 lunchtime clubs and activities
- Expand our library and digital learning resources, giving students meaningful choices to deepen their learning.
- Continue vital upgrades to our facilities. Previous upgrades include our sports oval, shade sails, outdoor seating and modern learning spaces.
- Create vibrant, rejuvenated classrooms and improve IT infrastructure for future-ready education.
- Solar Panels project moving us to be a net zero school via our Building Fund.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Thank you for being part of this community, for your consideration and for the many ways you help us shape a supportive, modern and inclusive educational experience for our students.

Yours sincerely,

Jane Thornton
